The votes poured in and have now been tallied, and they reveal that Adams Discount Centre in Fourways has won the Best Kitchen Essentials in this year's *Best of Joburg* Readers' Choice Awards.

Expressing excitement, operations manager Nacem Bhyat said, "Winning twice in a row is actually quite an achievement for us and we are very overwhelmed with excitement and gratitude."

He explained that they have been participating in the *Best of Joburg* for many years and to win means a lot to him. "We have always wanted to be a part of *Best of Joburg* as it took us many years to bag our first win, hence we are very happy that we have won this for the second time in a row."

He said that the reason he thought they were voted the Best Kitchen Essentials was due to the fact that they are not only about kitchen supply but customer experience, service and quality treatment. "I am so happy for the support and if we win again next year we will be over the moon, however, if we don't we will keep giving the best service to our customers."

Michelle Brink, editor of *Best of Joburg* said, "*Best of Joburg*... the most prestigious annual awards celebrating the best of the best that our shining city has to offer, has yet again given a nod to our favourite hotspots. I would like to congratulate Adams Discount Centre and thank all those who voted for them."

Every year, *Best of Joburg* asks readers to have their say on what and who makes living in Joburg so great and to give recognition to deserving local businesses.

Other businesses in the Fourways area who received a nod from voters and won in their respective categories are: The Teatro at Montecasino for Best Theatre, Roxanne's Rum Eatery in Pineslopes for Best New Restaurant, Firerom at Montecasino for Best Sushi, Buitengeluk in Broadacres for Best Outdoor Dining Spot, Fourways Farmers Market for Best Food Market, Sloane Meat Market in Bryanston for Best

Biltong, Valbonne College in Beverley for Best Primary School and Buttercup Pre-School in Beverley for Best Crèche.
